[Verse 1]
                       C/G
                                                   C/G G
Why would I worry when giants come calling my name?
                                            C/G G C/G
My God is so much bigger than troubles I face.
                                                C/G G
Why would I hunger for power or riches or fame?
Oh, 'cause my God is so much better than all of these things.
[Chorus 1]
