[Verse 1]
I've lived stories that have proved your faithfulness
I've seen miracles my mind can't comprehend
There is beauty in what I can't understand
Jesus, it's You
Jesus, it's You
[Chorus 1]
I believe, You're the wonder-working God
You're the wonder-working God
All the miracles I've seen
Too good to not believe
You're the wonder-working God
And You heal because You love
Oh the miracles we'll see
You're too good to not believe
[Tag]
                     Am
Too good to not believe
Too good to not believe
[Verse 2]
```

```
I can't resurrect a man with my own hands
               Am
But just the mention of Your name can raise the dead
All the glory to the only one who can
Jesus, it's You
Jesus, it's You
[Chorus 1]
I believe, You're the wonder-working God
You're the wonder-working God
All the miracles I've seen
Too good to not believe
You're the wonder-working God
And You heal because You love
Oh the miracles we'll see
You're too good to not believe

Too good to not believe

After everything I've seen
You're too good to not believe
