```
[Verse 1]
     G                      C              G
What love could remember no wrongs we have done
   D              Em         C               D
Omniscient, all knowing, he counts not their sum
       G    Am            G/B         C
Thrown into a sea without bottom or shore
G/B C2            G/D       D          G
Our sins they are many, his mercy is more

[Verse 2]
     G                           C          G
What patience would wait as we constantly roam
      D          Em         C         D
What father, so tender, is calling us home
       G        Am           G/B         C
He welcomes the weakest, the vilest, the poor
G/B C2            G/D       D          G
Our sins they are many, his mercy is more

[Verse 3]
     G                      C          G
What riches of kindness he lavished on us
    D             Em           C            D
His blood was the payment, his life was the cost
    G            Am             G/B   C
We stood 'neath a debt we could never afford
G/B C2            G/D       D          G
Our sins they are many, his mercy is more

Praise the Lord
    D        C G D
His mercy is more
C              G           D/F#     Em7
Stronger than darkness, new every morn
