```
[Verse 1]
What love could remember no wrongs we have done
                  Εm
                             C
Omniscient, all knowing, he counts not their sum
                          G/B
Thrown into a sea without bottom or shore
                  G/D
Our sins they are many, his mercy is more
[Verse 2]
What patience would wait as we constantly roam
                 Εm
                            C
What father, so tender, is calling us home
                Αm
                             G/B
He welcomes the weakest, the vilest, the poor
                  G/D
Our sins they are many, his mercy is more
[Verse 3]
What riches of kindness he lavished on us
                  Εm
His blood was the payment, his life was the cost
                 Am
We stood 'neath a debt we could never afford
G/B C2
                  G/D
Our sins they are many, his mercy is more
[Chorus]
           C G Em
Praise the Lord
             CGD
His mercy is more
                          D/F#
Stronger than darkness, new every morn
Our sins they are many, his mercy is more
