[Intro]

Bb F Gm

[Verse 1]

Bb
I was a wretch
  Gm7
I remember who I was
      Eb         Bb
I was lost I was blind
      F
I was running out of time
Bb
Sin separated
    Gm7
The breach was far too wide
             Eb              Bb
But from the far side of the chasm
    F
You held me in Your sight

[Verse 2]

   Bb
So You made a way
 Gm7
Across the great divide
     Eb              Bb
Left behind Heaven's throne
   F
To build it here inside
    Bb
And there at the cross
    Gm7
You paid the debt I owed
         Eb
Broke my chains
         Bb

Bb                 F
You took my place

Laid inside my tomb of sin

You were buried for three days
             F
But then You walked right out again
        Bb
And now death has no sting

And life has no end

For I have been transformed

By the blood of the Lamb

[Chorus]
