```
[Intro]
C  Am  Em  F

[Verse 1]
C
Over the discussion
Am
Talking over nothing
Em                      F
You would ever say to my face
    C
You think your words are Gospel
    Am
But they’re only trouble
  Em                    F
I ain't got the time to waste

[Pre-Chorus]
            C                  Am
You need to get a life, 'cause life's too short
    Em                   F
You must be bored out of mind
                  C
You should really take
             Am
the nonsense somewhere else
       Em            Fm
'Cause you got to realize

[Chorus]
               C
I'm doing me regardless
            Am                           Em
And I don't care what you say about it
             F                          C
And it don't matter if you like it or not
           Am
I'm having all this fun
  Em               F

so why would I ever stop?
           C
Doing me regardless
            Am                          Em
No, I don't care what you say about it
         F                    C
And Imma do it any way that I want
           Am
I'm having all this fun
  Em                F
so why would I ever stop?

[Verse 2]
C
Some people are so mean
Am
all behind a phone screen
Em                     F
When we tryna live our lives
        C
Why you gotta be so vicious?
Am
Be about your business
  Em                     F
Instead of getting up in mine

[Pre-Chorus]
            C                   Am
You need to get a life, 'cause life's too short
    Em                   F
You must be bored out of mind
                  C
You should really take
             Am
the nonsense somewhere else
       Em             Fm
'Cause you got to realize

[Chorus]
               C
I'm doing me regardless
            Am                          Em
And I don't care what you say about it

Doing me regardless
           C        Am  Em
Doing me regardless
                  F
Why would I ever stop?

[Bridge]
Dm                                  C    G
Oh well, it won’t turn your glitter into gold
   C                          F
So why, Are you wasting your time?
Dm
You should find
            C        G
some better seeds to sow
           F                Fm
They might grow one day but either way

[Chorus]
               C
I'm doing me regardless
            Am                           Em
And I don't care what you say about it
             F                          C
```

```
And it don't matter if you like it or not
           Am
I'm having all this fun
  Em                F
so why would I ever stop?
           C
Doing me regardless
            Am                           Em
No, I don't care what you say about it
         F                     C
